

2020 YOUTH BASEBALL & SOFTBALL DRAFT INFORMATION

PREDRAFT EVALUATION

EPRD will hold a pre-draft evaluation for all **first-time players** to EPRD's baseball & softball leagues and **to players moving up** to the next league-level. This evaluation is to help keep team ability even and to familiarize the coaches with the players. **Please plan to be at your scheduled location at least 15 minutes before evaluation time.** Players staying in the same league will be on the same team as last year and do not attend Pre-Draft evaluations. **You must bring a glove and bat!** If player is not present during tryouts, they will be chosen via blind hat drawing by coaches.
